

# Pass the Panel

## A Comic Drawing Game

Pass the Panel is a game where players take turns drawing the panels in a comic! It's a fun game that you can play with any drawing supplies!

**2+ players**

**At least one piece of paper per player**

**At least one pen or pencil per player**

**To play:** Give each player a piece of paper and something to draw with. The first turn, each player draws a 4 panel comic grid on their paper, then draws the first panel of the comic.

After all players are done drawing their panel, each player passes their comic to the player to their right. Then, everyone draws the next panel! Repeat until all panels are drawn.

Once the comics are done, share them, so you can all see how your stories turned out!
